Notice of Revisions to End-March 2008 Non-Consolidated Performance Forecasts

GignoSystem Japan Inc. hereby gives notice of the following revisions to non-consolidated performance forecasts for the year ending March 2008 (1 April 2007 to 31 March 2008) released 31 October 2007.

1. Revised End-March 2008 (1 April 2007 to 31 March 2008) Non-Consolidated Performance Forecasts

(¥m, %)

	Sales	Operating income	Ordinary income	Current net profit
Previous forecast (A)	4,077	194	209	-474
Current forecast (B)	3,654	261	276	-427
Change (B-A)	-423	67	66	47
Change (%)	-10.3%	34.4%	31.8%	--
(Reference) Performance previous year, end-March 2007	3,688	251	273	-282

2. Reasons for Revisions

The revisions detailed above were made due to lower revenues than forecast resulting from the liquidation of unprofitable businesses and delayed revenue increases accruing from our strategic alliance (announced 27 September 2007) with TFM Interactive, K.K., and due to higher profitability than forecast with improved returns from revised mobile-site costs.

There is no change to the forecasts of consolidated performance released 31 October 2007.
