Copyright 2002-2005 GignoSystem Japan, Inc. All Rights Reserved.
GignoSystem will provide high quality application games across a wide range of genres, such as a module addition type of game using the “*Matomete-au-shiharai*” system – payment for goods is made together with payment for dialing charges.

**“Tokusuru-Tsuika Games: Get More! Multiplying Games ” , original game site
opening on July 28**

We are pleased to provide high quality application games making full use of BREW (R), as provided by KDDI. With a focus on role playing (RPG) and simulation games, full-scale application games will be delivered once or twice a month with a lineup that would make users addicted.

- To kick off at launch time, four unique titles each with highly individual features –
- **Guild Master:** an on going RPG to manage and train the characters that carry out tasks and enlarge their guild – made up of several characters possessing extraordinary abilities

and powers.

- **Space-time Warriors – Summon**: a strategic RPG involving a World War II squad caught up in the otherworld.
- **Tale of the Sword God**: an action RPG with an exciting and dramatic storyline.
- **Samurai frontiers runs SPA**: a unique GPS compatible simulation game involving a debauched and retired samurai running a hot spring inn – a barrel full of laughs.

A full house of unique games! (Image of four games)

Get More! Multiplying Games

“Cute Girls Maniax”, pretty girl game site opening on August 4

<Concept>

- Dream fantasies galore
- This game delivers more than meets the eye
- Fantastic detailed graphics
- Bonus images

Cute Girls Maniax incorporates all these eye-catching features and then some more, as we deliver another handful of cute babes to this

site.

– Launch game –

• **Beautiful military unit-Police Gals:**

An on going comical RPG where our three pretty girls are first raised and then do battle with the deliciously evil “Geba Geba Gang”.

The game, combining the raising of our heroines and role-playing type fighting out-kicks all those other existing pretty girl lame games; it’s an absolute delight.

• **The Manga Gals’ Dorm:**

A simulation game where a player, acting as a comic magazine agent, follows three new and talented cartoonists and interacts with them in a series of adventures.

The outstanding characterization of each heroine and beautifully drawn graphics make this a real 100% cute girl game.

(About GignoSystem Japan)

GignoSystem was founded in 1996 as a company engaged in the development of internet-based systems. The Company now offers a range of paid information services for use with NTT DoCoMo, KDDI and Vodafone mobile phones. The Company has also extended activities overseas, offering paid services for mobile phones used in 11 countries and 8 languages. Apart from paid information services, GignoSystem is also actively engaged in other businesses areas such as e-commerce. In October 2004, GignoSystem formed a capital alliance with TOKYO FM, a key broadcaster on the FM network with 38 stations across the country, and aims to create new business out of the

fusion of broadcasting and communications.
