A new menu launch: SpainZaka Gallery View live onscreen at TOKYO FM's mobile music site

GignoSystem Japan, Inc. (HQ in Chiyoda-ku, Tokyo, President & CEO: Keiko Iida) has been commissioned to develop and administer the mobile music site "MUSIC VILLAGE". The site has been developed as a three-carrier official site by TOKYO FM Broadcasting Co., Ltd. (HQ in Chiyoda-ku, Tokyo, President & CEO: Michiomi Fukita, hereinafter referred to as TOKYO FM). On Saturday, August 6, a new menu was added to the site.

The new menu is SpainZaka Gallery.

This is a service for the delivery of live images and comments on the programs broadcasted from SpainZaka Studio – TOKYO FM's satellite studio in Shibuya. Images of the guest artistes who appear in live programs broadcasted from Shibuya SpainZaka Studio are available to members in real time every week. Not only live shows, but also candid glimpses only available on this site, such as greenroom shots of the stars are broadcast, ensuring a really must-see service.

Broadcasting Co., Ltd.

Currently, the SpainZaka Studio is being refurbished and reopening is planned for November; however, the service continues and studio images, mainly from the program on Saturdays and Sundays, are available to members.

This service is only available to members on a monthly basis.

We will continue to deliver a stream of unique services.

< "MUSIC VILLAGE" Site Outline >

"MUSIC VILLAGE" is a general music information site directly linked to TOKYO FM's radio broadcasting service. It provides information including the latest music news, program appearances, song lists, event information, and original contents about popular artists. In addition to a full range of free contents, paid subscribers (315 yen/month), will be able to

download ringtone melodies and obtain other special contents.

EZweb : Top Menu→ Search by Category→ TV & Media
→ Radio→ MUSIC VILLAGE in TOKYO FM

Vodafone live! : Menu List→ TV/Radio/Magazines→ Radio
→ MUSIC VILLAGE in TOKYO FM

(About TOKYO FM)

The core business of TOKYO FM is its FM radio station (TOKYO FM 80.0MHZ). TOKYO FM has also developed a wide range of other businesses including broadcasting business for satellite broadcasts and digital radio, IT business for the internet and mobile sites, and has developed an event planning and production business.

(About GignoSystem Japan)

GignoSystem was founded in 1996 as a company engaged in the development of internet-based systems. The Company now offers a range of paid information services for use with NTT DoCoMo, KDDI and Vodafone mobile phones. The Company has also extended activities overseas, offering paid services for mobile phones used in 11 countries and 8 languages. Apart from paid information services, GignoSystem is also actively engaged in other businesses areas such as e-commerce. In October 2004, GignoSystem formed a capital alliance with TOKYO FM, a key broadcaster on the FM network with 38 stations across the country, and aims to create new business out of the fusion of broadcasting and communications.
