GignoSystem Japan  
**Launch of service for EZweb official and Brew (R)  
compatible full-scale game site  
“ Cute Girls Maniax”  
Debut of a new game: “Shonan Beach Girls”**

On Thursday, August 11, 2005 GignoSystem Japan, Inc. (HQ in Chiyoda-ku, Tokyo, President & CEO: Keiko Iida) will start the delivery of a new game, “ **Shonan Beach Girls** ” in the official EZweb and pretty girl game site “ **Cute Girls Maniax**”.

The plot of our new game, “ **Shonan Beach Girls** ”, revolves around the evil plans of the **Nero Nero Gang** and their sinister scheme to take over the sea of Shonan; the only ones who can stop them are the pretty girls running the Beach Girls seaside restaurant – join the pretty girl team members in their fight against evil. This game brings a new dimension to the business management training RPG, by combining both the RPG fighting style and running a seaside house; the delivery of the game started on Thursday, August 4 along with a sister-game, “Beautiful military unit-Police Gals”.

## New game Shonan Beach Girls

<Story>

The popular, seaside restaurant in Shonan, Beach Girls has a fantastic menu served by the pretty girls and is always filled with the smiling faces of happy customers; but the tentacles of evil are slowly creeping up the beach and the name of the evil is... The Nero Nero Gang!

The gang's vicious harassment has had a devastating effect and the number

<Game Structure>

- **Patrol**

Position girl team members on the beach where the Nero Nero Gang has devastated the number of beach visitors and have them go out on patrol. At Development, if a team member acquires their own menu and special skills, then the number of visitors will quickly recover.

- **Development**

By using the revenue from sales, new menus can be developed and items added that would increase sales.

- **Special training**

Give special training for team members to increase their level or have them acquire killer techniques.

- **Battle**

When the Nero Nero Gang turns up, dispatch team members to take them on and do battle with them.

For killer techniques and cries of victory during battle, a character's image is cut in and displayed; livening up the whole battle even more.

If the number of team members is small, it is always possible to call up other nearby members for Support.
