GignoSystem Japan Launch of “RPG Sword & Magic” on the “Tokusuru-Tsuika Games: Get More! Multiplying Games” Site Compatible with EZweb Brew^(R)!

On Thursday, December 15, 2005, GignoSystem Japan Inc. (HQ in Chiyoda-ku, Tokyo, President & CEO: Keiko Iida) began providing the new game “**RPG Sword & Magic**” on the official “**Tokusuru-Tsuika Games: Get More! Multiplying Games**” site, which is compatible with EZweb BREW^(R).

“**RPG Sword & Magic**” is an orthodox RPG (role-playing game) that unfolds in the fantasy world of swords and magic.

The fundamental game system and scenario are the selling points of the game.

<System>

The battle takes place in turns over the map. The attack range changes according to the role of characters such as a soldier and wizard, and each time a new strategy needs to be thought of.

By receiving missions in the town you can gain money and experience value. Changes in contents upon receiving each mission are generated automatically. The development diverges according to choices appearing in the story, and the game can be enjoyed many times over.

According to the choices made the story changes, and even characters that were on your side last time may appear as enemies.

(About GignoSystem Japan)

GignoSystem was founded in 1996 as a company engaged in the development of internet-based systems. The Company now offers a range of paid information services for use with NTT DoCoMo, KDDI and Vodafone mobile phones. The Company has also extended activities overseas, offering paid services for mobile phones used in 11 countries and 8 languages. Apart from paid information services, GignoSystem is also actively engaged in other businesses areas such as e-commerce. In October 2004, GignoSystem formed a capital alliance with TOKYO FM, a key broadcaster on the FM network with 38 stations across the country, and aims to create new business out of the fusion of broadcasting and communications.
