Plenty of original Chaku-Moe voices will be distributed from 'Moe-Uta Love games' besides Real tone(R) by Ami Tokito.

(Profile of Ami Tokitou)

An ordinary high-school girl crazy with basketball living in Tokyo has been named as the Tsunku award winner from among 16,000 girls in the 2005 Miss Magazine Contest!! Starting from October the same year, she has started to show up regularly in events produced by Tsunku , and has also continued holding live performances at the "Megane Festival" by Ishimaru Denki in Akihabara. Although they were free events, fan attendance kept increasing, breaking her own previous record every time, and in December she released a mini album as a singer.

In April 2006, she held her first one-man show at Nakano Sunplaza, succeeding to attract

2,000 fans, which is unusual for such an indie event. She is currently making frequent appearances, her activities ranging from magazine cover girl to TV variety show personality.

(About GignoSystem Japan)

GignoSystem was founded in 1996 as a company engaged in the development of internet-based systems. The Company now offers a range of paid information services for use with NTT DoCoMo, KDDI and SoftBankMobile mobile phones. The Company has also extended activities overseas, offering paid services for mobile phones used in 12 countries and 9 languages. Apart from paid information services, GignoSystem is also actively engaged in other businesses areas such as e-commerce. In October 2004, GignoSystem

formed a capital alliance with TOKYO FM, a key broadcaster on the FM network with 38 stations across the country, and aims to create new business out of the fusion of broadcasting and communications.
