"Visual Boy X Creator" and "Visual Boy Convention" will be held in the "Visual Star Thanksgiving '06A".

In "Visual Boy X Creator", the performer will take on various challenges with the creator during the 7 performances! The result of their practices will be exhibited on the same day, along with the rehearsal videos.

In "Visual Boy Competition", the Grand Prix winner will be chosen from among the 28 new boys recruited via the mobile site by the "Visual Boy" user's vote.

The vote period through the website is set from October 20th to November 5th (the last day of the event), but you can also vote at the event site.

The preliminary contests will be held each time during the event period, and the Grand Prix winner will be selected during the last performance.

Come visit the site! You will enjoy this event, where glamour male entertainers are gathered together!

(About GignoSystem Japan)

GignoSystem was founded in 1996 as a company engaged in the development of internet-based systems. The Company now offers a range of paid information services for use with NTT DoCoMo, KDDI and SoftBankMobile mobile phones. The Company has also extended activities overseas, offering paid services for mobile phones used in 12 countries and 9 languages. Apart from paid information services, GignoSystem is also actively engaged in other businesses areas such as e-commerce. In October 2004, GignoSystem formed a capital alliance with TOKYO FM, a key broadcaster on the FM network with 38 stations across the country, and aims to create new business out of the fusion of broadcasting and communications.
